

BOOROOMOOKA ANGUS

2009 BULL SALE PREVIEW

Established 1926 - Forward Thinking

Your Quality Choice !

You have a great choice of 183 Herd Book Registered Bulls to pick from to improve economically important relevant traits in your herd.

We are proud of our breeding programmes, through our disciplined approach for continual improvements. Life is full of challenges for us all - We aim to be forward thinking so that our customers continue to be on the front foot.

A long term commitment to breed advancement

The Booroomooka Angus Stud has been owned and managed by the Munro Family at Bingara, NSW since 1926. Today the cow base of over 700 HBR stud females and 1200 joined commercial angus females is run under strict commercial conditions. The Annual Sale includes the VERY BEST of our bulls - enabling seedstock producers, commercial angus producers and cross breeders to pick from leading genetics in the breed and what is right for you.

There are a large number of bulls for you to pick from, enabling you to make informed choices for improved growth, fertility, carcass quality, calving ease, doing ability, finishing ability, muscling, temperament and structural soundness.

Bulls sold at our Annual Sale represent high quality at value with an emphasis on reliability. Last year 160 bulls sold for a top price of \$16,000, with 96 bulls selling for \$5,000 or less. This year we have catalogued more bulls for you to pick from. A quality bull purchase is an investment in your herd and in the future of your business.
